2018 Highlights
Holy Cross Ministries provides health, education, and justice programs in alignment with our mission and unrelenting, adaptive focus on building and celebrating just, compassionate, sustainable, and inclusive communities made up of individuals who, through their life and work, contribute to the benefit of all. In 2018 there were 3,563 people who benefitted from their participation in one or more of HCM’s 6 programs:

1. **Counseling Program (New in 2018)**
   - Bilingual, bi-cultural trauma-informed counseling and case management services for victims of crime.

2. **Legal Immigration Program**
   - Comprehensive legal support, consultations and representation (primarily for immigrant victims of crime).

3. **Parents as Teachers Program**
   - The only evidence-based, home-visiting PAT program serving 0-3 year olds and their parents in Summit County.

4. **Promotora Outreach Program**
   - Health access support, prenatal classes, referrals, and support groups for uninsured individuals and families.

5. **School Readiness Program**
   - Classroom-based education with evidence-based curriculum for at-risk children preparing for Kindergarten.

6. **Summer Camp Program**
   - Academic and enrichment programming for elementary-aged children to help in preventing summer learning loss.

We respond to the underserved community’s need for health and well-being. We share God-given resources, connect people to community services, and assist individuals and families towards independence and full participation in the community. We do this to fulfill the mission of Jesus Christ and in the spirit of the Sisters of the Holy Cross.
